

Angel Entertainment

Digital Promotion | Large Scale Video Production | Motion Picture Studio

Website: angelentertainment.studio

About: *Angel Entertainment is a video production company with three branches: Digital Promotion, Large Scale Video Production, and Motion Picture Studio. Based in the Boston Greater area, and growing beyond, Angel Entertainment provides video content to clients and also produces narrative films in the independent film industry.*

The founder of this company, Joseph Anthony Marcello, has a Masters of Science in Interactive Media & Communications along with a Bachelors of Fine Arts in Film, Television & Media. He has earned six acclaimed filmmaking awards across the country stretching from New England to Hollywood. He is a powerful emerging director with aim of making an impact on the industry.

On the side, he trains for mountaineering while coping with Type-1 Diabetes.
