Mr. Ron Jones, Executive Director
Dialogues on Diversity

Dear Mr. Jones,

Below please find a letter of recommendation for your performance at our Martin Luther King, Jr. Celebration this past January.

Ron Jones performed his show on civil rights and the origins of the METCO program in Boston at our annual Martin Luther King, Jr. Celebration which we co-sponsored this year with METCO of Boston.

His show was informative and extremely engaging. During the question and answer after the performance, the audience was extremely eager to discuss all they had seen and learned and the "q and a" went on for quite a while.

The show was full of information presented with just the right combination of energy and humor.

The audience was captivated from the start.

We highly recommend this wonderful show.

Sincerely,

Shari Barzun and Louisa Paushter
