

# *Jews on First*

## Tech Specs

### GENERAL

1. Projector
2. Projector screen
3. Show runs off MacBook Pro in Powerpoint and will be controlled by Stage Manager
4. Show is versatile and can be performed in any venue from bema, to function room, to proscenium stage.

### AUDIO

1. Mini-out from headphone jack on laptop preferred
2. Two wireless headsets preferred, lapels okay as well. (We may or may not use microphones, depends on space acoustics.)

### LIGHTING

1. Stage area needs to be lit
2. Lighting is mostly Lights Up/Lights Dow

### SET PIECES

1. Two sturdy chairs
2. One sturdy table

Please refer any question about the tech to Larry Jay Tish at 617-792-5053 or [larry@pieceoftishwork.com](mailto:larry@pieceoftishwork.com) and...  
Thank-you in advance!
