

Dear Colleague:

Ron Jones' performance of *The Movement* made the students, faculty and staff at KCKCC both laugh out loud and engage in serious dialogue about race in the U.S. He acts with sincerity in his myriad roles and has informative visuals to boot.

Theatre students and volunteers enjoyed the luncheon afterwards where they were given the opportunity to talk to Ron about the actor's role in promoting social justice.

It was all around an excellent event.

Thanks again!
