

INDIANA UNIVERSITY NORTHWEST

I just wanted to write and thank you for performing *The Movement: 50 Years of Love and Struggle* on Thursday, February 8, 2018. Despite the weather emergency that reduced our audience size, the feedback from those present was overwhelmingly positive.

I can say with confidence we collectively found your performance to be at once exhilarating, informational, entertaining and inspiring. Further, your flawless integration of technology and seamless character transitions kept the audience engaged throughout the performance, leaving no one in doubt as to your skill as a thespian.

Beyond that, the audience enjoyed the post-performance discussion as well.

Once again, I thank you for visiting our campus.
